**What is Personal Property Tax Relief Act?**

The Personal Property Tax Relief Act of 1998 provides tax relief for passenger cars, motorcycles, and pickup or panel trucks having a registered gross weight of less than 10,001 pounds. To qualify a vehicle must:

Be owned by an individual or leased by an individual under a contract requiring the individual to pay the personal property tax, AND be used less than 50% for business purposes.

**Motor homes, trailers and farm use vehicles do not qualify for tax relief.**

**Does Your Vehicle(s) Qualify for Car Tax Relief?**

If you can answer YES to any of the following questions, your motor vehicle is considered by Virginia State Law to have a business use and DOES NOT qualify for the Personal Property Tax Relief.

- Is more than 50% of the mileage for the year used as a business expense for Federal Income Tax purposes OR is reimbursed by an employer?
- Is more than 50% of the depreciation associated with the vehicle deducted as a business expense for Federal Income Tax purposes?
- Is the cost of the vehicle expensed pursuant to Section 179 of the Internal Revenue Service Code?
- Is the vehicle leased by an individual and the leasing company pays the tax without reimbursement from the individual?

**INSTRUCTIONS**

1. REPORT ON THIS RETURN the tangible personal/business property owned by the taxpayer on January 01, 2022. SIGNS shall be declared as tangible personal property. No property is assessable as tangible personal property if defined by 58.1-1100 as intangible personal property.
2. REPORTING LEASED PROPERTY: Lessors and lessees are BOTH required to report leased property located in Lee County. (Virginia Code 58.1-3518) Lessees reporting leased property and paying property tax for the owners should file a return separate from their own so a different account can be maintained. The account should be listed in the name of the owner of the property (the Lessor) in care of the Lessee at the Lessee’s address.
3. COST VALUES TO REPORT: Values to be reported are the actual, total capitalized cost of the furniture, fixtures and machinery & tools before allowance for depreciation. **Cost of items fully depreciated, but still in use, must be reported for taxation.**
4. AN ITEMIZED LIST of tangible Personal Property and Machinery & Tools (excluding vehicles) located in Lee County and a copy of the Federal Depreciation Schedule giving the year acquired and original cost of the property must be attached before this filing will be accepted as complete (58.1-3109 Code of Virginia). If amounts reported vary greatly from a prior year’s amount, please provide an explanation of the difference.
